Senior Legislature Election Nears

It is time to start thinking about the California Senior Legislature (CSL) elections! The purpose of the CSL is to develop proposals for legislation at both the state and federal levels. When the "regular" legislators leave the Capitol for the fall holidays, the California Senior Legislature fills the vacant seats, gathering to voice their concerns and opinions on pending legislation that will impact the lives of senior citizens.

At its Annual Session, the CSL holds hearings on proposals that have been submitted by its members, to determine which of those proposals should be carried forward. Because the California Legislature takes the CSL's recommendations very seriously, its efforts could have a major impact on future senior-related legislation.

Anyone interested in being a candidate for our Planning & Service Area (PSA 15) should begin preparations now. PSA 15 is comprised of Kings and Tulare Counties and sends two senior legislators to Sacramento: one Senior Senator and one Senior Assemblymember. It is the duty of the CSL representative to attend the meetings of the California Senior Legislature and report back to the Kings/Tulare Area Agency on Aging (K/T AAA) Advisory Council on the activities of the CSL, track the bills for the Advisory Council, and, if requested, present that same information to the Governing Board of the K/T AAA. In addition, the CSL representatives work with the K/T AAA staff on getting the information on CSL matters to seniors in the community.

Senior legislators are elected volunteers, and they will be elected by the Advisory Council of the Kings/Tulare Area Agency on Aging on May 17, 2010. If you are at least 60 years of age, reside in Kings or Tulare County, and are a registered voter, you may qualify to represent your community in the California Senior Legislature. Completed applications must be filed by April 5, 2010. Any seniors interested in serving in the CSL should contact Christine Tidwell at 737-4660, extension 2675, for an application and additional information.
